Double Dog Dare Lisa Graff

What would you do to win a dare war?

In a humorous and insightful novel reminiscent of her award-winning titles *The Thing About Georgie* and *Umbrella Summer*, Lisa Graff tells the story of fourth-graders Kansas Bloom and Francine Halata, who start out as archenemies, until--in a battle of wits and willpower--they discover that they have a lot more in common than either would have guessed.

This dual-perspective novel will appeal to girls and boys alike--and to anyone who has ever wanted anything so badly that they'd lick a lizard to get it.
