A Companion to Ronald Reagan (Wiley Blackwell Companions to American History)

A Companion to Ronald Reagan evaluates in unprecedented detail the events, policies, politics, and people of Reagan's administration. It assesses the scope and influence of his various careers within the context of the times, providing wide-ranging coverage of his administration, and his legacy.

- Assesses Reagan and his impact on the development of the United States based on new documentary evidence and engagement with the most recent secondary literature
- Offers a mix of historiographic chapters devoted to foreign and domestic policy, with topics integrated thematically and chronologically
- Includes a section on key figures associated politically and personally with Reagan
