**Engaging Crystallization in Qualitative Research: An Introduction** Laura L. Ellingson

**Engaging Crystallization in Qualitative Research**, the first "how to" book to both explain and demonstrate crystallization methodology, offers a framework for blending grounded theory and other social scientific analyses with creative representations of data, such as narratives, poetry, and film. Author Laura L. Ellingson explores relevant epistemological questions that arise when crossing methodological boundaries, provides detailed steps for design and planning, offers guidelines for improving both social scientific and creative/artistic writing, and suggests strategies for targeting publication outlets for multigenre representations.
