How to Live and Not Die Norvel Hayes

How To Live and Not Die! A Down-to-earth guide for getting rid of problem areas in your life by putting God's power to work for you. God doesn't want you to be sick...or to have any financial, emotional, social, spiritual or physical problem. But you've got to learn to do things His way! * After you worship and praise God, you have the right to ask Him for any- thing. * If you'll make up your mind, once and for all, that the life is in the Word of God, you won't have to suffer any longer. * Your body doesn't care what God tells you. It will rise up and demand what it's craving. You have to tell your body to obey God's Word! * Your faith can work for your children and for your spouse. * Many good Christians have died before their time. They believed in God and loved Him, but they didn't believe God scripturally. * If you have the Word of God in your heart and if you know how to say what God says in His Word, God will send you on a mission to do things for Him to cause people to live and not die.
