Sarah Fairfield's younger stepbrother was dead. So, seeing him standing before her was the last thing she ever expected to see. Gone was the little boy she use to torment and pick on. In his place stood a man. A man who's looks were causing havoc in her personal life.

Navy Captain Alexander Easton wasn't suppose to be alive, but as luck would have it, he had survived the war. Now, he was back to take charge of the billion dollar estate that is rightfully his and he'd fight anyone that got in his way. That list included his gold digging stepmother and her beautiful daughter.

Having to deal with one another again would only bring back years of emotions. Hate. Greed. And a lust that's so clearly forbidden, it's flames are sure to burn the estate down around their feet.
