Politics in America, 2012 Election Edition, Books a la Carte Edition (10th Edition) Thomas R. Dye, Ronald Keith Gaddie

See who gets what, when, and how in American politics

Politics in America examines the core foundations, institutions, behaviors, and policies of the American political system. The text views politics as a competition for resources. It encourages students to personally evaluate government's impact by raising controversial issues, dissecting the conflicts behind them, and asking what it means for democracy. Often feisty and always stimulating, *Politics in America* engages students in a frank exploration of political power and encourages them to be involved in public affairs.
