*James A. Fain, James Fain*

**Reading, Understanding, and Applying Nursing Research: A Text and Workbook** James A. Fain, James Fain

This new combination text and workbook offers a comprehensive approach to evaluating and applying nursing research. It introduces the student to the process and explains why nursing research is important to the profession. The text covers the 11 steps of the research process to show what is being done and why it is important in the process. It will enable the student to critically review published research and apply useful research findings to his/her practice.
