Aleister Nacht

Sanctum of Shadows Volume II: Corpus Satanas (Volume 2) Aleister Nacht

Satanic and Demonic manifestation is a shocking and baffling experience. Satanists often call upon Satanic forces which require knowledge, dedication, practice, study and investment on a daily basis in order to master. "Volume II: Corpus Satanas", the second book in the "Sanctum of Shadows" series, explains the interrelationships between Satan and Satanic Demons who exist just beyond, yet regularly transverse, our dimension. Satanic Magus Aleister Nacht provides names and characteristics of the Demons he calls upon most frequently for effective results. This volume also includes special excerpts from the Satanic Grimoire "Silentium In Persona Diaboli", interpreted and explained by Magus Nacht. "Sanctum of Shadows Volume II" builds upon the foundation of the first volume; assisting the Satanist to better understand Satan, Demons, Energy and the practice of Satanic Magic.
