Tales of the Alhambra

Washington Irving

Tales of the Alhambra Washington Irving

Washington Irving's dreamlike description of Spain's Granada and the beautiful Moorish castle, the Alhambra, remains one of the most entertaining travelogues ever written. Enhanced here with exquisite Spanish guitar music, the narrative is a heady mix of fact, myth, and depictions of secret chambers, desperate battles, imprisoned princesses, palace ghosts, and fragrant gardens, described in a wistful and dreamlike eloquence, will transport listeners to a paradise of their own.
