The Feminist Utopia Project: Fifty-Seven Visions of a Wildly Better Future

What do we want?

In this groundbreaking collection, more than fifty cutting-edge voices, including Melissa Harris-Perry, Janet Mock, Sheila Heti, and Mia McKenzie, invite us to imagine a truly feminist world. An abortion provider reinvents birth control, Sheila Bapat envisions an economy that values domestic work, a teenage rock band dreams up a new way to make music, Katherine Cross rewrites the Constitution, and Maya Dusenbery resets the standard for good sex. Combining essays, interviews, poetry, illustrations, and short stories, *The Feminist Utopia Project* challenges the status quo that accepts inequality and violence as a given—and inspires us to demand a radically better future.
