The Lazy Crossdresser Charles Anders

Studies show that as many as 5% of American men crossdress regularly - but not all of them want to crossdress fully or publicly. Charles Anders, a writer and crossdresser of many years` experience, gives you the skills and confidence you need to crossdress as much - or as little - as you want: embarrassment-free clothes shopping, doing your makeup, making decisions about your head and body hair, and much more. Unlike crossdressing manuals that insist on nothing less than perfect passable femininity, `The Lazy Crossdresser` gives you permission to experiment: `The moment you put on a dab of lipstick or a pair of panties, you`ve stepped outside the magic circle. There are no rules.` Hints, ideas, stories, emotional support, and illustrations to help you become the creature you`ve dreamed of being!
