Is sex essential? Is it truly, deeply important in a loving relationship? Of course it is!

The real-life "Tom and Heather Wellesley" were a once-highly-attractive couple who by five years ago had found themselves a slightly boring, out of shape "family couple" in their thirties whose intimacy and excitement had waned, opening the door for the possibility of divorce.

However in its face they fashioned, by mounting degrees, a culture of their own, not knowing in the beginning that hotwifing was already an established worldwide phenomenon - not only in their context, but also in that of the many wildly varied (re philosophies and motives) other couples - culturally to boot - across the widespread canvas of the hotwifing landscape.

At the outset of their ventures, Heather faces a serious learning curve as her seduction techniques meet, ironically, with alternating degrees of bemused - and bemusing – success. And ironic non-success.

Meanwhile on the plus side Tom's love life with Heather begins to percolate extraordinarily, as it did for the real-life couple upon whose story this rowdy, raunchy, sensuous-and-sensual tale is (fondly and warmly) based - and with whose input and enthusiasm it was written. With grander, more intimate and more intriguing successes for Heather - with and, occasionally, without Tom - to follow. And FOLLOW...!...in Book Two, Chapter 7!

NOTES: 11/25/15

Dear Friends and Fans of the real "Tom," and the real "Heather:"

Until Book Two, Chapter 2, the price for every new chapter had been \$.99, which we felt fair. But KDP began displaying alerts that (for whatever reason) selections in our category will reach a far broader audience if the price is \$2.99; if you go onto the KDP/Amazon Advertising and Promotions site, you will find similar advisements. Therefore, we are honoring this guidance from them, and we hope that the results will be positive. However we do this with some reservations, and we apologize sincerely to those for whom, like us, the added \$2 cost might be not insignificant - although hopefully not burdensome.

For you most-welcome new readers, re "the chapters:" every Thursday a new chapter of "Tom and Heather, Book Two" will appear for \$2.99...a bit the way Charles Dickens placed a new chapter of his novels in magazines on a weekly basis.

If you missed Book One, it is available here on Amazon for \$9.99. Simply do whatever works for you - hopefully with an open mind, and an appreciation for the real Tom and Heather's remarkable - sometime

amusing, sometimes touching, sometimes frustrating, sometimes sizzling - journey. Best, and enjoy! With sincere appreciation

Morgan Snow

BTW Book Two in its entirety for \$9.99 is still not available as, although it is complete now in first draft form, it needs strong editing. Wish I didn't have a "day job" so I could spend full-time writing and editing, but, alas...guessing you can relate! And even in its second-draft form, Book ONE could use some work - not a surprise if you've been following the literary adventure as well as "Tom and Heather"'s literal one! Perhaps one day we'll have a professional publisher who can contribute needed finessing, as occurred with 50 SHADES when it went to hardbound-then-paperback.

Again with appreciation,

MS
