John J. Han Han

Wise Blood: A Re-Consideration (Dialogue) John J. Han Han

Wise Blood: A Re-Consideration is a collection of nineteen new essays on Flannery O'Connor's 1952 novel about the spiritual journey of a young man raised in a fundamentalist Christian family. Following the pattern of previous books in the Dialogue series, it offers analyses by established and emerging scholars in North America. The volume comprises five sections: Religious and Philosophical Thought; Comedy, Humor, and Animality in *Wise Blood*; Influences on *Wise Blood*; Structural Issues; and Gender, Culture, and Genre. An intensely religious novel by a Catholic author, *Wise Blood* continues to draw keen attention from literary scholars, theologians, preachers, and lay readers. This volume encompasses many new critical perspectives that will encourage greater insights, deeper understandings, and further investigations of the complexities of O'Connor's modern classic set in the Deep South.
