Ursula Hegi

Floating in My Mother's Palm (Burgdorf Cycle Book 2) Ursula Hegi

Floating in My Mother's Palm is the compelling and mystical story of Hanna Malter, a young girl growing up in 1950's Burgdorf, the small German town Ursula Hegi so brilliantly brought to life in her bestselling novel *Stones from the River*.

Hanna's courageous voice evokes her unconventional mother, who swims during thunderstorms; the illegitimate son of an American GI, who learns from Hanna about his father; and the librarian, Trudi Montag, who lets Hanna see her hometown from a dwarf's extraordinary point of view. Although Ursula Hegi wrote *Floating in My Mother's Palm* first, it can be read as a sequel to *Stones from the River*.
