## **Grass of The Earth: Immigrant Life in the Dakota Country (Borealis Books) Aagot Raaen**

This is an engaging, richly detailed biography of a family of Norwegian immigrant homesteaders in eastern North Dakota in the late 1800s. Educator and world traveler Aagot Raaen wrote this reminiscence late in her life. Like *Giants in the Earth* and *Old Jules*, *Grass of the Earth* deals frankly with a darker side of pioneer life on the prairie.
