Hi, I'm James J. (J.J.) Ryan

Modern women and men are dealing with completely new ways of communicating today; including social media, phones, the web and email. All these things have added totally new layers of complexity to relationships but have also opened the doors to amazing new ways to meet people, date people and find that perfect person. But it also means some people may need some extra advice to help them get past blocks or stepping stones in relationships of all kinds.

If you've ever been the kind of guy that's constantly trying to "get the attention" of women but is always falling flat, then I've written this book for you.
