The Book of Job

The Book of Job

**"An extraordinary and invaluable version of this great biblical treasure."?David R. Slavitt,
*Philadelphia Inquirer***

One of the most powerful and unsettling Bible stories, *The Book of Job* undermines the claim that our world is governed by justice and meaning. It does so through a poetry of unsurpassed beauty captured in Raymond Scheindlin's superb new translation. Scheindlin's Job is not a patient sufferer but a defiant man who eloquently demands an argument with God. Job's words land like a fist, but he is left speechless by God's reply from the storm ? a commanding survey of creation and a challenge to man's place in it. Job's acceptance of God's power comes with a dignity and freshness that makes it compelling even today. In Scheindlin's vivid translation an ancient text speaks to us directly of timeless questions and passions.
