## **Interlude In Death J. D. Robb**

In early spring of 2059, Lieutenant Eve Dallas is called off planet to face a grueling ordeal?giving a seminar at the largest police conference of the year, to be held in a swanky resort. A resort which just happens to be owned by her husband, Roarke, of course.

Even though Eve can't quite see it that way, it's supposed to be at least partly a vacation. But work intrudes in the form of a bloody homicide, and Eve is off and running. The case is complicated by Eve's personal history with the victim?and by the killer's history with Roarke. As danger closes in and the body count rises, Eve must find a way to stop the cycle of violence and revenge, and shove the past back where it belongs.
