The Wisdom of Donkeys: Finding Tranquility in a Chaotic World Andy Merrifield

"The demon of speed is often associated with forgetting, with avoidance ... and slowness with memory and confronting," observes Milan Kundera in his novel *Slowness*. With that purpose in mind? a search for slowness and tranquility? Andy Merrifield sets out on a journey of the soul with a friend's donkey, Gribouille, to walk amid the ruins and spectacular vistas of southern France's Haute-Auvergne. As Merrifield contemplates literature, science, truth, and beauty amid the French countryside, Gribouille surprises him with his subtle wisdom, reminding him time and again that enlightenment is all around us if we but seek it.

As a scholar exactly feel bored in order to reading. If their teacher asked them to go to the library or make summary for some book, they are complained. Just tiny students that has reading's heart or real their leisure activity. They just do what the educator want, like asked to the library. They go to generally there but nothing reading really. Any students feel that examining is not important, boring and can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's

country. Therefore , this The Wisdom of Donkeys: Finding Tranquility in a Chaotic World can make you sense more interested to read.
