## Singing Early Music: The Pronunciation of European Languages in the Late Middle Ages and Renaissance (Music: Scholarship and Performance)

Praise for the cloth edition:

"Commendable in its scholarship... should prove of interest to linguists, medievalists, and Renaissance academicians, as well as to fastidious performers of early music." ?Choice

"Singing Early Music is a pioneering work of surpassing quality that cannot be too highly recommended." ?Journal of Singing

"Addresses the needs of the performer directly, giving historical pronunciations for a range of languages [and] sample texts.... The CD that comes with the book will prove invaluable.... David Klausner's recording is admirably consistent and convincing across the wide range of languages." ?Early Music
