From the beloved creator of *Schoolhouse Rock* and the bestselling *GodWink* series, Squire Rushnell teams up with his wife Louise DuArt for *The 40 Day Prayer Challenge*—a simple yet elegant idea that encourages partners to pray together.

Squire and Louise have practiced daily prayer together for fifteen years. Now, they offer readers step-by-step advice on where, when, and what words to use in praying with another person. *The 40 Day Prayer Challenge* answers the question they hear from readers daily: How can I pray together with my partner?

The couple addresses not only that simple question, but they also explain how partnered prayer can restore relationships and revitalize families. Offering an abundance of success stories, this book measures the phenomenal outcomes when two people pray together five minutes a day for forty days.

Working with several prominent mega-churches and Baylor University's Institute for the Study of Religion, Squire and Louise have conducted the first empirical research study ever done on the effects of prayer among two or more people over an extended period. As demonstrated by the more than two dozen praying partners who participated in the challenge, amazing, powerful, wonderful things happen when couples pray together.
