**In *Bad Games*, the Lamberts weren't safe at the family cabin.
Now they aren't safe anywhere.**

Playtime is not over...

In Autumn of 2008, the Lambert family headed to western Pennsylvania for a weekend getaway to the family cabin.

They visited hell instead:

The Fannelli brothers. Two psychopaths who believed themselves exceptional, put on this Earth for the soul purpose of tormenting others for their own amusement. To make people play their twisted games.

Except the Lamberts managed the impossible. They played the game and survived. Showed the Fannelli brothers that they'd messed with the wrong family.

However, the game is far from over. There are some new players in town. Players who appear to have close ties to the Fannelli brothers. Players who are taking things very personally...and promising results that are very deadly.

If you thought you'd glimpsed evil before, prepare to plummet headfirst into the abyss as award-winning author Jeff Menapace shows you a new level of fear and heart-stopping suspense.

Let the vengeful games begin...
