Diagnosing Her Desires: A Medical Exam Short (Violation Innocence Historical Erotica) Satine LaFleur

“—You seem to have a preoccupation with... physical stimulation, arousal. Something you’ve never experienced fully, your test would conclude. Perhaps if we... if *you* experience it, if you face your obsession, you’ll no longer crave it the way you do,” he went on, licking his lips, but at that point I knew he was just trying to justify himself and his growing arousal.

I was raised to be the perfect potential wife once I became of age: pure and innocent, well read, and eager to obey. But during my purity test to be sure I was fit for the duke, my **urges** get the better of me--and my doctor--leaving us both in an awkward position once a nurse bursts in on us in a *compromising* position.

He told them I had an insatiable hunger for all things lustful, and that my uncontrollable desires weren't something he was qualified to deal with. Ashamed and unforgiving, I was sent off to be handled at a "hospital" for wayward girls... when I arrived I knew it was asylum, and that the methods of 'correction' were anything but standard. Still, I was raised to obey, and who was I to turn down alternate methods? If taking it hard and unprotected was going to cure me, I *couldn't* say no... even if I wanted to.

Read this explicit historical medical erotica to find out more.
