Financial Accounting: Information for Decisions, 7th Edition John Wild

Financial Accounting: Information for Decisions, addresses the topics and issues typically covered in the financial accounting course, while at the same time motivating student interest in accounting through its extensive use of entrepreneurial examples, application of analysis skills, integration of online course management, and a highly engaging pedagogical design. This title thoroughly integrates ideas and practices followed by today's business entrepreneurs, speaking more directly to students and better preparing them to enter the work force.
