Love Uncovered: Forbidden Fruit: Erotic Romance Stories Evelyn Adams

Hot, spontaneous, adventurous sex defined Max and Julie until real life turned them from lovers into barely-ever-have-sex roommates. But no more.

Finally, with time alone, they have a chance to rediscover everything they once loved about each other. Can the touch of her mouth on him still steal his breath? When he kisses the dimples at the small of her back, will she still come apart under him? After years of negotiating, can he still be her dominant alpha, commanding her pleasure and his?

Or will reuniting be a passionate new adventure beyond anything they've ever experienced? *Love Uncovered* is part of the *Forbidden Fruit* series. The series is a collection of stories about what happens to couples after the wedding is over and the marriage matures. The love is still there, but they need a vacation from everyday life to rediscover the intimacy that strengthens their lifelong commitment.
