By 1713, a secret plan was underway in the American colonies to found the Land of Liberty, with the exact location of its future capital already chosen. That plan was encoded in a map, revealed here for the first time, which illuminates George Washington's profound aspiration for Liberty. A continuous crescendo with twists during the ascent—you won't see this book coming. Your assumptions about Freemasonry, religious symbolism, and Liberty will be tested. It all begins humbly with a simple quest for treasure. "The Seal of Liberty" is a systematic revelation delivered as the original enigmatic craftsmen of Masonry intended—a treasure quest, a spiritual journey, and an intellectual discovery—that solves one of the world's most enduring mysteries.
