The scene of a childhood tragedy that forced her family to move, Seaboro, South Carolina, is the last place Catherine Leary wants to see again. But her father's last wish to have his ashes scattered there, and his young colleague's desire to write an article about him, conspire against Catherine. Hoping to stop her family's secrets from being exposed, she travels to her once-beloved Lowcountry town-and embarks on a poignant trip into the past...a journey that might lead her into a new life of love, forgiveness, and self-discovery.
