Blueprints Obstetrics and Gynecology provides students with a concise review of content for their ob/gyn rotations and the Boards. Each chapter is brief and includes pedagogical features such as bolded key words, tables, figures, and Key Points. New features in this edition include an image bank and a For The Boards section, which presents 4 clinical vignettes with 3-5 sequential item set-style questions at the end of each chapter. Additionally, 100 bonus board-format questions with answers and rationales appear at the end of the book; another 50 bonus questions are provided online.
