Evangelism is more than a program.

Every few years, churches jump into the latest evangelistic fad. Leaders administrate the new program, and members go on a raid. But picture a church where evangelism is simply part of the culture. Leaders share their faith consistently and openly. Members follow, encouraging one another to make evangelism an ongoing way of life.

Such is the way of evangelism presented by this brief and compelling book. No program here. Instead, it just might give your church a new way to live and share the gospel together.
