**Letters to My Daughters (A Dad's Thoughts on a Most Important Decision Marriage)** Paul A. Friesen  
A dad shares his heart and wisdom with his three daughters regarding a life-changing decision: marriage. In *Letters to My Daughters: A Dad's Thoughts on a Most Important Decision - Marriage*, Paul Friesen, a marriage counselor, pastor, and relationship expert, pens 52 letters from a dad's loving heart to help his three daughters and any other young person, male or female, think more clearly about this all-important decision.

Rebecca Manley Pippert, author of *Out of the Salt Shaker*, has said, "This book has something for everyone! It offers tremendous wisdom for teens and collegiates [or anyone for that matter] to consider before they choose a spouse. It is also a wonderful book for men who want to be better fathers. And it reveals, perhaps without intending to, what God desires a family to really be. I think Friesen carries forward the great tradition of the renowned author, Walter Trobisch. *Letters to My Daughters* is full of practical wisdom, touching stories, humor, and a refreshing look at what godly living is all about."
