BOOK #1: The Ultimate Survival Manual: The Best Survival Manual That Will Teach You How to Survive a Tsunami

In this guidebook you will learn about all of the different things that you can do when a tsunami is coming, whether you are getting ready ahead of time, what to do when you get stuck there, and what to do when the storm is over. There are many things that you can do ahead of time that will ensure your chances of surviving and if you think them through before the storm hits, you are going to have a much better chance of doing well compared to waiting until the moment.

In this guidebook, you will learn a lot about how to prepare for tsunamis. This information includes:

- How to get prepared ahead of the storm so that you can leave right on time and get somewhere safe.
- How to pay attention to the warning signs of an upcoming tsunami
- What to do when a tsunami hits and suggestions for when you get stuck in the area.
- What to do when the tsunami is over to be safe.

Use this guidebook to have the best chances of survival when the storm hits your area.
