**The House Next Door (You're invited to a Creepover) P.J. Night**  
**A new year means new frights for party guests at the Peterson home...**

It's New Year's Eve, and for the three Peterson sisters, that means their family's huge bash. Their house is the perfect place for a party—if you don't mind the drive. That's because the Petersons live way out at the edge of town, where there are no other houses for miles...except for the old one next door that's been abandoned for as long as anyone can remember. The Peterson girls have seen strange things going on at that house over years, but they've always been able to dismiss them. Until now. This New Year's Eve, the mysteries hidden in the house *want* to be discovered. And they won't be ignored any longer...

This haunting tale is rated a Level 4 on the Creep-o-Meter.
