Think Big Ben Carson M.D., Mr. Cecil Murphey

In *Think Big*, which emanates from the last chapter of his best-selling *Gifted Hands*, Dr. Ben Carson prescribes his personal formula for success. And who could better advise than one who transformed his own life from that of being a ghetto kid with problems in school to becoming the most celebrated pediatric neurosurgeon in the world? With an acrostic, Dr. Carson spells out his philosophy of living: T -Talents/time: Recognize as gifts from God H -Hope for good things and be honest I -insight from people and good books N -Be nice to all people K -Knowledge: Recognize as they key to living B -Books: Read them actively I -In-depth learning skills: Develop them G -God: Never get too big for Him -- *Think Big* does not offer pat answers, or promise a life of ease, but it does show how a person should view problems, evaluate them, react to them, and eventually overcome them. The philosophy in *Think Big* can be applied by all individuals to their own lives and help them to make the most of the gifts that God has given them.
