Titanic: James Cameron's Illustrated Screenplay Randall Frakes

"Titanic: James Cameron's Illustrated Screenplay" contains the shooting script of the most popular film of all time. An invaluable reference for film students and fans, this book details the evolution of the epic romance from script to screen, including scenes and dialogue cut from the final film, as well as annotations explaining footage seen in the final cut, yet not contained in the screenplay. Never-before-seen photographs of the stars, storyboards for sequences never filmed, and an in-depth interview with Cameron make "Titanic: James Cameron's Illustrated Screenplay" an essential companion to the #1 bestseller "James Cameron's Titanic."
