**Environment, 8th Edition** Peter H. Raven, David M. Hassenzahl, Linda R. Berg

Raven, Hassenzahl, and Berg's *Environment* threads the central themes of Systems and Sustainability throughout the text to help students understand the connection between the core concepts of Environmental Science and their daily lives. The 8th edition features a rich collection of current case studies and in-text examples, highlighting these local and regional issues, and providing students with the science and tools to understand, apply, and think critically about environmental science. In addition to the text, the integrated learning design of WileyPLUS incorporates a wealth of animations, videos, podcasts, and interactive exercises, and gives instructors a powerful tool to assess individual students and the class as a whole.

WileyPLUS sold separately from text.
