Today's market participants have a myriad of tools at their disposal. Yet the success rate is that of old - 80% to 90% of traders fail to achieve their financial goals. This book shows traders how to get their investment act together. It covers in detail the three requirements needed for success: Winning psychology, effective money management and a written trading plan with an edge.

- *The Nature of Trends* also provides unique tools (for example the MIDAS tool) that provide low risk trade entry by telling the trader the level at which an entry may be safely effected
- Finally, the book provides the "Rule of 3" to manage a trade. These rules allow the trader to take profits and hold on for long-term profits without increasing risk.
