Understanding to Kill a Mockingbird

Understanding to Kill a Mockingbird

This is a collection of essays, criticism, and case history information/background information for Harper Lee's novel *To Kill a Mockingbird*. It is a hard-to-find, pricey compendium of materials to help the high-school teacher more adequately instruct students about the literary content, and the historical context, of the novel. Issues include the connection to the Scottsboro Boys, the Civil Rights movement of the 1960s, and there are even some photos included, along with a wealth of primary-source documents.
