That which was thought to be finished was not. The deaths of a brother, a son and too many friends set the adventure into motion. An attack that almost wiped out the entire Mage's Guild made it imperative. We had to stop this threat again, or the world would fall under his evil control. To find our enemy and stop his plan, we had to go into The City of the Walking Dead.

Optional, but highly recommended: Read the first book, Into the Valley of Death.
