How the West Was Lost: The Theft & Usurpation of State's Property Rights

William C. Hayward

How the West Was Lost: The Theft & Usurpation of State's Property Rights William C. Hayward

This book relates the historical story of the westward expansion of this country to the Pacific Ocean. As the ever increasing population moved west to create new settlements, homesteaders stretched across the open land as well. It traces:

- How our Founding Fathers carefully crafted the Constitution to limit the powers of the Federal Government
- How the American Revolutionary War debt played an important part in the crafting of the Constitution
- How Supreme Court decisions have either altered or reinforced the concept and foundation laid down by our Founding Fathers so carefully set forth in the Constitution
- How the different bureaus of the Federal Government have expanded their power over this same land thus eroded the concept of limited Federal government our Founding Fathers so carefully set forth in the Constitution
- How the different states no longer have their sovereignty that was originally guaranteed
- How even the Supreme Court has taken decisions out of context and compounded the problem thus reinforcing the power of these different bureaus over land as well as the fabric of our lives- none of which would have been approved by our Founding Fathers.

If you did not have much space to bring typically the printed book, you can buy often the e-book. It is make you quicker to read it. You can save the actual book in your smart phone. Therefore there are a lot of benefits that you will get when you buy this book.

Kevin Dobson:

As a university student exactly feel bored for you to reading. If their teacher inquired them to go to the library as well as to make summary for some book, they are complained. Just little students that has reading's internal or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that studying is not important, boring as well as can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this How the West Was Lost: The Theft & Usurpation of State's Property Rights can make you feel more interested to read.
