Living the Life of the Lifegiver: Thoughts From the Mount of Blessing & Christ's Object Lessons (Audiobook, 15 Audio CDs) Ellen G. White

When Jesus described the life of faith, He made it so real that when He had finished, His listeners knew how to live that life. He made faith and other concepts real to His hearers by comparing them with familiar objects and situations. Instead of describing what faith is, He used stories to show what faith is like by using word pictures called parables. As you hear these truth-inspired words, the parables of the Master Teacher will take on new meaning, especially when you realize they apply to you. Living the Life of the Lifegiver CD collection makes available the most compelling book ever written on Christ's parables and the most insightful book ever published on His Sermon on the Mount.
