**Origins: African Wisdom for Every Day (Offerings for Humanity)** Danielle Föllmi, Olivier Föllmi

This third volume in *Offerings for Humanity*-the Föllmis' acclaimed series celebrating the spiritual heritage of various cultures-takes us to the heart of African life and thought. Olivier and Danielle Föllmi guide us on a voyage of discovery through this immense continent and its mosaic of peoples, from the Himba shepherds to the Peul nomads, from the deserts of Namibia to the savannah of Cameroon. Following the success of the first two books, *Offerings* and *Wisdom*, the Föllmis now plumb the cultural wealth of the African people, whose ancestral values have been passed on through the generations as part of a rich oral tradition. Inspiring reflections by leading African personalities-from Leopold Sedar Senghor to Nelson Mandela-are paired here with 365 beautiful and moving photographs. On the border of myth and reality, *Origins* opens a window onto Africa's untold treasures of exemplary teachings and inherited wisdom.
